## **Tashir opens new Take Away store in Moscow**

Tashir Group continues developing its own retail chain of Take Away department stores. A new store has opened at the Kvartal West multipurpose complex in western Moscow.

Take Away follows a modern format of a conceptual department store. It is an open space bringing together various retail concepts with a broad range of goods – women’s and men’s clothes, footwear and accessories.

The new store is located at 6 Aminyevskoye Shosse. It is the fourth store in the Take Away chain. Across the total area of 1,100 square meters, over 5,000 products of popular Russian and international manufacturers are presented. In addition to affordable brands targeting the younger visitors, the store has products by world famous designers like Armani, Dolce & Gabbana, Tom Ford, Polaroid, Guess, Gucci, Swarovski, Max&Co and others.

The first Take Away store opened at a RIO shopping mall in December 2015. Currently, there are Take Away stores at the RIO centers on Dmitrovskoye Shosse and Leninsky Prospect and at the Avenue Southwest on Vernadsky Prospect. The chain has plans for further expansion.
