## **The First Modern Paradise Mall Opens in Tula**

A new modern mall opening in Tula has been announced by Tashir Group. Paradise will become the city's first conceptual, full-format shopping place.

The retail space of over 9,000 sq.m. hosts leading international and federal brands to include clothes, footwear, kids' goods, jewelry and accessories, and household goods.

Paradise shopping centre is located in Tula's historical and administrative centre, in close vicinity of significant landmarks like the Kremlin and the Regional Administration. The exterior design has been adapted to the surroundings thus the building matches this demanding location well. A 100-car ground parking lot has been installed for the mall's guests.
