Press Release

December 19, 2014

## **Winter holiday for Morozov Children's hospital**

Tashir Group has become a partner of the charity festival for little patients of Morozov Children's City Clinical Hospital (Morozovka), one of Russia's oldest and best-known healthcare facilities. The festival initiated by the hospital's Board of Trustees and supported by Moscow's Healthcare Department will be held in its territory until January 18, 2015.

The first-ever benefactor charity festival named "Winter in Morozovka" has gathered many outstanding artists to ensure holiday season atmosphere in the hospital and to hold lots of interactive events for the little patients as well as Moscow citizens and guests.

The interactivity will allow both patients and visitors to really feel the holidays coming and the festival participants, to express their artistic potential and skills and to introduce guests to inventive New Year themed artifacts. The agenda includes master classes, concerts, entertainments, competitions, and charity events.

The festival participants include sculptors, architects, designers and painters, florists, decorators, manufacturers of thematic and lighting products as well as city benefactors, kids and adults. The artistic beauty professionals will showcase methods and samples of interior and exterior décor, dressing of entrances, doorways and windows, lighting design, sculptures, and many more art objects.

On December 18, many official persons were happy to congratulate little patients on the coming New Year in person, those including Olga Golodets, Deputy Chairman of RF Government; Olga Zabalova, Deputy Chairman of the Moscow Region Government; members of the Government Council on Guardianship; representatives of the Chief Physicians Union; and the Hospital's Board of Trustees headed by Yulia Basova.

Tashir Group has been investing heavily into social projects and various charity programmes both in and out of Russia for many years now. Socially significant projects implemented by the Group include construction of hi-tech healthcare and

educational institutions, infrastructural objects, churches and cultural heritage objects as well as support of sports and culture programmes, and events.

## **About**

### **Tashir Group**

Tashir is a diversified federation-wide group of companies founded in 1999 and uniting over 200 companies in various sectors of Russia's economy, including construction, manufacturing, finance, energy, development, retail, and entertainment. Its staff totals over 45,000 people. The company's geography covers 25 cities of Russia and the former USSR. Tashir's founder and President is Samvel Karapetyan. The company is headquartered in Moscow.

The Group's primary business is development and managing of commercial real estate, with a focus on retail estate. Being a Russia's leader in development, Tashir has so far built 2.5 million sq m of modern, hi-tech commercial and residential real estate.

### **The New Block for Morozov Children's City Clinical Hospital**

Tashir Group is currently constructing a new medical block for Morozov CCCH with 74,000 sq m GBA and an underground parking lot.

The new block will be unique in both its functional and technological potential and will set a new benchmark in children's healthcare development in the country. In particular, the new hospital block will feature modern engineering and medical equipment and, notably, the city medical system's first bone marrow transplantation department. The block will include 15 departments able to accommodate up to 500 patients.

Morozov CCCH is Moscow's largest emergency in-patient facility and one of the oldest kids' hospitals in Russia.
